## School Officials

Dear School Officials,

One or several of your student athletes has been selected for the Oasis All Star Shrine Classic Game. We hope you can attend the activities during the week to support your athlete. Our Website includes a dress code and list of items to bring. Please go over this with your student athletes and see that they have the necessary equipment to bring.

We realize that this is a very busy time of the year for you, so we are enrolling the parents for support receiving the information back to our medical staff along with other ticket request. Please check our Website for all information.

Oasis is proud to produce these games and ask for your support with game ticket sales. The parents have the tickets and will be counting on your support to ensure the long term success of these games. We have posters for you to display in your school advertising the games. Our goals are to recognize these student athletes in their schools as well as across the state.

We hope you can use this All Star format to inspire your teams in years to come. Congratulations on a great coaching job by having your athlete play in our game. This is truly a tribute to you, your staff, and your school.

Sincerely,

The Oasis All Star Games Staff
