Congratulations Parents!

Your athlete has been selected from hundreds of others in the North and South Carolinas Areas to participate in the Oasis All Star Shrine Classic Game. We know this must be a proud moment as a parent to have your family and school represented at this great event.

The Oasis Shriners produced the first high school All Star game in America in 1937. Our success has been based on a great relationship with the Athletic Associations in the Carolinas and the strong support from the families, schools, and players.

It's important that you review our Website in detail and call us with any questions that you might have. We will need the **Three Forms (Player Registration, Code of Conduct, and Players Health Physical)** back immediately to secure a position on the roster. The other letters on our Website are listed for your review. Please review the dress code with your athlete. We are sure that we are not far off from the normal dress codes in their high schools.

The Player Registration Form is critical for us to receive due to the printing deadlines for our Year Book and Official Program. A common complaint in the years past was that a player didn't get their ad in the year book and program. We are asking for your help with advertising, as it is important to the athlete, more especially in the years to come, but also to success and ability to produce these games each year. The ads are Half Page and Full Page. Traditionally the schools and parents have worked together to place the ad best suited for the individual athlete. Of course your family or business may do as much as you like to support the game. Ads must be submitted by Mail or Online by Email to Info@OasisAllStarGames.com

We are also offering a Championship Ring (As pictured on the website) made especially for the individual athlete if they participate in our advertising program. If an athlete can account for \$1500.00 in total sales including ad copy and/or game ticket sales, we will provide the ring to the athlete at no additional cost. The rings will not be for sale to the athletes if the incentives are not met. We encourage you to call with any questions about the game or this unique gift package.

You will receive 10 tickets in a package priced at \$10.00 each. The tickets are numbered and any unsold tickets should be turned back in on arrival at Oasis along with the money for the tickets sold. Additional tickets are available to be requested on our Website via Email or by phone. The schedule of Events is enclosed for your information. We have also included directions to the Shrine Center, Practice Grounds, and the adjacent Hotels for reservations if needed. Someone on our staff will contact you soon to discuss details. It is our privilege to host your athlete and we assure you that we will do everything possible to make this a memorable event for your entire family and friends.

Information for Parents Concerning Their Football Player:

All meals, housing, and transportation are provided for players and coaches during the Game Week. Escorts will be accompanying Team Members at all times. Parents and guest will be responsible for their own tickets, banquet tickets, and housing.

You will be mailed 10 (Ten) game tickets on consignment. Tickets sold will be credited towards your players account to achieve their \$1,500.00 sales goal. Please mail your sold tickets and money received to the above listed address. Tickets and sales amounts will be accounted for during the player Hotel check-in. The only additional expense that parents may incur would be if program ads and or additional game tickets were purchased to help their player achieve their \$1,500.00 goal. This goal is The Oasis All Star Shrine Games “All Star Club” and “The Ring”.

Please remember to include a **Self Addressed – Stamped Envelope** along with your Registration Forms so that Game Tickets will be automatically mailed to you.

Visit our Website for detailed information of dates and times. This information is subject to change and it would be advised to be viewed regularly. Please contact us anytime if you have any questions. We look forward to this exciting event.

Sincerely,

The Oasis All Star Games Staff
